**Single Point FLOOR DRAIN – Soil Pipe Push-Fit**

A brilliantly simple solution, to fitting a 'single point' floor drain, this push-fit waste & trap assembly can be installed very quickly with the minimum of fuss. Requires a gradient to be made by hand. Comes complete with a High Quality Stainless Steel Grate, & a full 50mm Water Seal Trap

**PRODUCT CHARACTERISTICS**

- Push-Fit Waste & Trap Assembly, that slides straight into a BS 4" or DIN 100 Soil Pipe.
- Stainless 304 Grade Steel Grate with Retaining Frame
- Offers height & rotational adjustment within soil pipe
- Optional : Install Sealing Kit c/w Joint Sealing Tape & Waterproofing Sealant (Sold Separately)  
 : CUBE, Designer Stainless Steel Grate (Sold Separately)

**APPLICATIONS**

This floor drain is suitable for the floor of a shower area within a wet room type bathroom, especially in Concrete Floor structures where a gradient must be created by the installer. Suits :

- En-Suites – small bathrooms where space efficiency is at a premium
- High End Designer Bathrooms – Optional Grates
- Wheelchair & Special Needs – Bathrooms where accessibility is a essential element of the design, but the location brings design difficulties
- Refurbishments & New Build
- Floor Structures – Designed for a 4" soil pipe, that is usually found in Concrete floors (new or existing) where the pipe has been permanently set into the slab
- Used to finish off an exposed Soil Pipe, provide the required 50mm Water Seal Trap, & a method of securing a high quality Stainless Steel Grate within the finished floor.
- Suitable for TILE Finishes only, & requires a suitable fall, or gradient to be manually created within the floor, to force excess water towards & down the waste pipes.

**TECHNICAL DATA**

- Size Criteria : Fits BS 4" & DIN 100 Soil Pipe
- Shape : Square Grate, 120mm x 120mm
- Gradient : Must be manually created. We would recommend 2.5% approx. from all sides
- Trap : Removable trap, with 50mm Water Seal
- Waterproofing : None supplied. Suits all commonly available types

Approved for Issue - 25 July 2008

**MATERIAL**

- Body : Polypropylene / rubber / TPE
- Grating Frame : 304 Grade Stainless Steel, 120mm x 120mm
- Grating : 115mm x 115mm Pressed 304 Grade Stainless Steel, Class K3

**OPTION EXTRA**

- Designer Grate : CUBE, high quality Stainless Steel grate

**CAPACITY**

- Waste & Trap : 45 Ltrs/Min approx

**DISPOSAL**

- Packaging : To be disposed of according to local bylaws.

**INSTALLATION INSTRUCTIONS**

- Separate Sheet : Included in Package

**PACKAGING**

- Cardboard Box : to suit

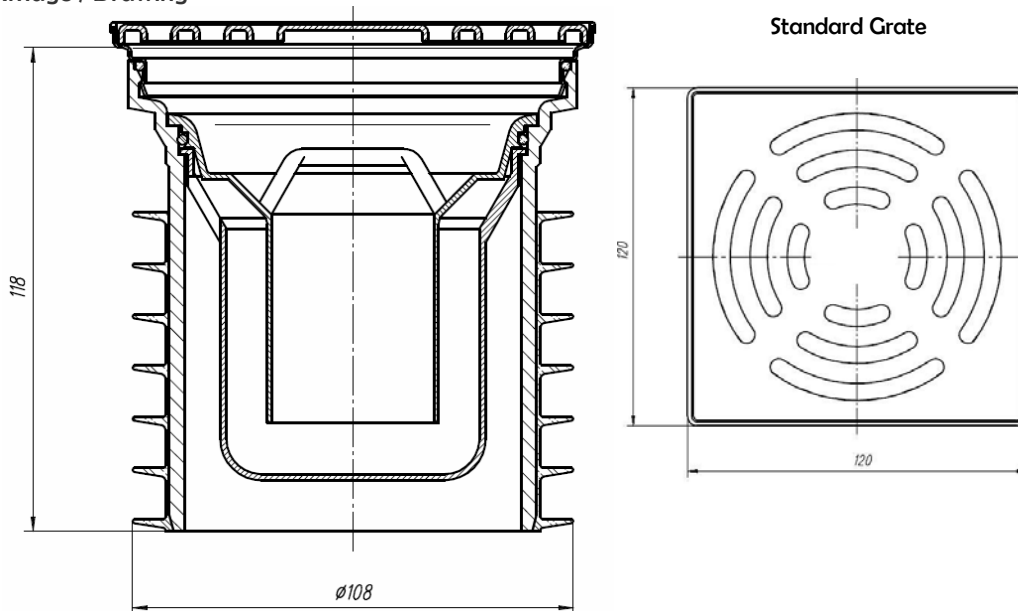

**CONTENTS**

Supplied in Single BOX

- Floor Drain Waste & Trap
- Stainless Steel Grating
- Installation Instructions
